Enrichment Week 2024

8th July-12th July

Year 7, 8 & 9

Tenacity

Integrity

Compassion

Knowledge

WESTCOUNTRY
SCHOOLS TRUST

It is with great excitement and anticipation that I extend a warm welcome to you for our upcoming Enrichment Week, scheduled to take place from the 8th to the 12th of July for Years 7, 8 & 9. This week promises to be a unique and enriching experience for our students, providing them with opportunities to explore a diverse range of activities that go beyond the traditional classroom setting.

At Egguckland, we foster a community where character is shaped, and difference is celebrated. Enrichment Week is a celebration of learning, growth, and discovery. It is an integral part of our commitment to fostering well-rounded individuals who not only excel academically but also develop key life skills and interests that will serve them in the years ahead. This year, we have curated a dynamic array of activities that cater to a wide range of interests and talents.

To enhance your experience, we have categorised the activities into four pricing tiers, ensuring accessibility for all families. The categories are as follows:

Category A: £0-£50 (to be paid fully in one instalment)

Category B: £50-£150 (to be paid in four instalments)

Category C: £150-£300 (to be paid in four instalments)

Category D: £300+ (to be paid in four instalments)

Deposit	2 nd Instalment	3 rd Instalment	4 th Instalment
Due 1 st March	1 st April	1 st May	1 st June

Please note that these are approximate costs and may vary depending on the number of students signing up.

We understand that each family's financial circumstances vary, and our goal is to provide options that accommodate everyone. This tiered pricing system is designed to give you flexibility in choosing activities that align with both your child's interests and your budget.

We encourage you to review the Enrichment Week booklet carefully, considering the diverse offerings available. To streamline the selection process, we have created a Microsoft form where you can make three activity selections. Please follow this link to access the form:

<https://forms.office.com/e/WwyfxTKuKu>

The deadline for all selections is 9am Monday 12th February

We are confident that this Enrichment Week will be a memorable and transformative experience for our students. Your active participation in selecting activities for your child will contribute to the success of this initiative. Together, let us create a week filled with inspiration, growth, and lasting memories.

Thank you for your ongoing support, and we look forward to an incredible Enrichment Week!

AI- Theatre Week

Escape to a whole new world and experience this extraordinary theatrical week. Working with fellow students you will bring a show to life adding an Eggbuckland twist. Rehearsals and casting will take place before enrichment week allowing the week to be spent adding in some theatre magic to the performance. Every student involved will have lines to say and will be given a full script to help support line learning. There is a chance for up to two students to learn the technical elements of theatre as well, helping run the sound and lighting. The show will be picked by the students involved from a range of options. This week is perfect for students who love to perform or want to see what a theatre show week experience is like. Students will cover acting, and movement, along with a range of warm up activities to help develop their characters.

Students will then perform their show on the last day of enrichment week.

Activity code	A5

A6- Community Learning

A week of mainly classroom based activities, including knowledge quizzes from across the curriculum, outdoor learning such as camp craft, first aid training, and the opportunity to complete or refresh the Heart Start training session, as recommended by the British Heart Foundation. This activity will also include some walking to local environments with the possibility of some community work, and we will finish the week with some games and a shared lunch or picnic to send you off on your summer break in good spirits. If you prefer to remain close to the school site and have a calm and purposeful week, closely linked to your lessons and curriculum, this is the activity for you. Any student who does not opt into any of the other activities will be added to this one.

Number of spaces	30
Year	7-9
Cost	£5 voluntary contribution
Suggested payment plan	n/a
Activity Leader	TBC
Useful information	
Activity code	A6

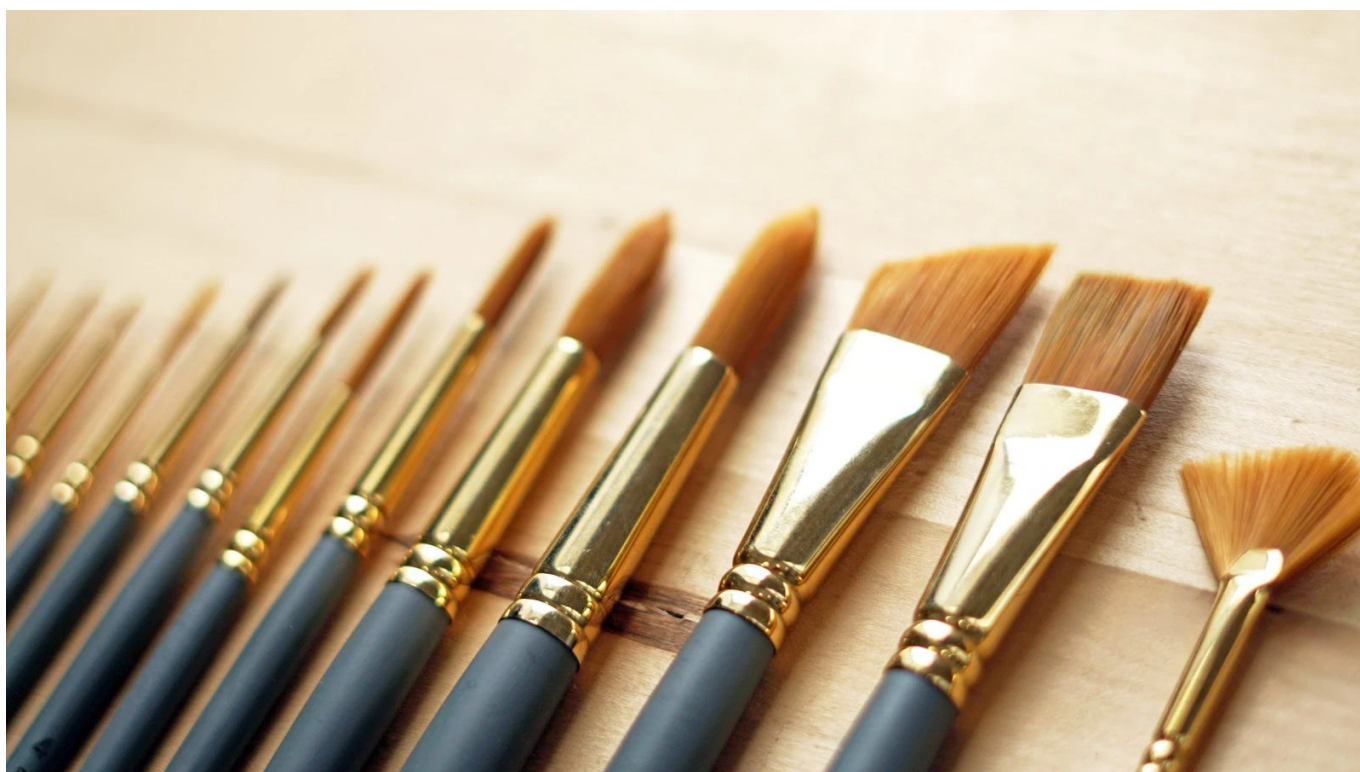

BI- LEGO Week

If you love Lego then this week is the week for you! We will be working together in teams to build various Lego sets in College on Monday, Tuesday and Wednesday. On Thursday we will have an early start as we will be travelling to Legoland Windsor Resort for a fun filled day! We will be able to admire the amazing Lego structures and for those who enjoy seeking thrills there will be 55+ rides and attractions to enjoy before travelling back to Plymouth Thursday evening. Friday will be a more relaxed affair to recover from our busy day on Thursday where we will recuperate with a Lego cinema day which will include popcorn and snacks.

Number of spaces	30
Year	7-9
Cost	£100
Suggested payment plan	4 x £25
Activity Leader	Mrs McCarthy
Useful information	https://www.legoland.co.uk/schools/
Activity code	BI

B2- Art Adventure

Join us on an Art Adventure with a trip to a local venue to have inspiration for further work in the week. We have a range of activities planned which will result in the creation of a portfolio of work. You will work individually, as groups and as a team to create outcomes some of which will go on display at the College.

We are very excited to work with students who select this activity. It is important to have an interest in Art and Design, to be able to work independently and successfully as part of a group as we will be expecting a lot of creative work being produced.

Number of spaces	30
Year	7-9
Cost	£50
Suggested payment plan	2x £25
Activity Leader	Mrs Mills
Useful information	All resources will be provided. Consider appropriate clothing to wear as we will be using a range of media.
Activity code	B2

B3- Enterprise Challenge

Do you have a passion for business or see yourself as the next Alan Sugar? Then this activity choice is for you! Enterprise challenge is a week based around 'The Apprentice' style challenges. Mainly based on the College site with potential excursions and activities to our local area.
