

Intent: Design Technology is all around us in our modern world. Studying Design Technology helps our students understand the world in which they are living, and actively engage in it. It helps them know where we have been and develop where we are going, creatively producing practical solutions using a range of modern and traditional materials and processes.

DESIGN TECHNOLOGY WORKSHOP CURRICULUM

2022-2023

Balanced | Rigorous | Coherent | Vertically Integrated | Appropriate | Relevant
