

Sports Studies

Please note students opt for Sports Studies.

Allocations to the exact qualification will be made in the Autumn Term as appropriate.

Cambridge National OCR Qualification

Course Leader: Mrs Sprake

Successful learner profile

- Regularly takes part in a range of sports and trains to improve performance.
- Interested in the wider aspects of sports such as barriers to participation, gender stereotyping, psychology and media.
- Demonstrates a high level of performance in both practical lessons and in the classroom.
- Able to work hard with a range of students in the classroom and in practical lessons, to improve performance and lead activity sessions.

Why choose this course?

We run 2 different sports courses. Both provide excellent opportunities to learn practical performance and leadership skills in combination with gaining knowledge of physical skill development, training and fitness. We also explore wider issues such as sports media, benefits and barriers to participation as well as sports psychology. Both courses are designed for anyone looking at sports, health or leisure careers in future.

OCR Sports Studies: more vocational and applied to general sport settings. Ability to understand wide ranging sporting issues as well as analyse and review practical performance more important to grade.

What will you study?

Vocational course – linked to real life examples.

Contemporary Issues in Sport: Written Examination: 40%

- Factors affecting participation
- Role of Sport in promoting values
