## Welcome message from Mrs Mullally

Welcome to Year 11!

I am excited to once again be Head of Year 11 and to help the students through this final chapter of school before heading off into further education.

Every student can gain fantastic grades at the end of Year 11; however, I know that they will need support along the way. Students will have access to a range of academic and revision support via the tutor programme and their class teachers. They will also have access to mental health workshops and assemblies focused on coping with stress, as well as pastoral support.

It is vital that students are supported to attend 100% of the time to ensure they learn 100% of the content that will come up in their exams.

Above everything, I believe all students should be able to access their potential with the support of the people around them to enable them to access their aspirations.
