

Support Teaching & Learning

VOCATIONAL

Level 3

Entry requirements

- You will need good communication skills
- Personal organisation is important
- The ability to become reliable and develop responsibility

Why choose this course?

Teaching assistants support and help teachers in their work. This may be in the classroom helping to organise and distribute resources and collecting them afterwards or outside the classroom preparing teaching materials. They may be asked to help children with some activities or provide the necessary help when close supervision is important during practical work or on school trips.
