Welcome message from Mrs Mullally

Welcome to Year 11!

I am excited to once again be Head of Year 11 and to help the students through this final chapter of school before heading off into further education.

Every student can gain fantastic grades at the end of Year 11; however, I know that they will need support along the way. Students will have access to a range of academic and revision support via the tutor programme and their class teachers. They will also have access to mental health workshops and assemblies focused on coping with stress, as well as pastoral support.

It is vital that students are supported to attend 100% of the time to ensure they learn 100% of the content that will come up in their exams.

Above everything, I believe all students should be able to access their potential with the support of the people around them to enable them to access their aspirations.

Key dates

Monday 16th – Friday 20th October 2023

Thursday 19th October 2023

Monday 13th – Friday 24th November 2023

Thursday 14th December 2023

Mental Health Support

We know that Year 11 is a stressful time for Students however, it shouldn't go unnoticed that it is also a stressful time for parents and carers as well, often not knowing how to support your child during this time.

Here are some useful documents and links that can support your child with their mental health but also provide ideas of what you can do at home to help.

Kooth	Young Devon	Young Minds	The Zone	Stop. Breathe. Think
				

Stop. Breathe. Think	Student guide to managing exam stress	Supporting your child to beat exam stress

Tutor Information

Intent - To prepare the students for exams academically and mentally.

Implementation - Students will follow a timetable of events throughout the year

September- December

Mon	Tues	Weds	Thurs	Fri
SPARX/Admin	Reading/ Assembly	Revision Techniques	Revision Techniques	Future Friday

Assemblies planned will focus on mental strength and resilience along with coping with exam stress.

We will also be supporting students with how to use a range of revision techniques and then applying these techniques to provided revision material. Students will then have a working bank of techniques that they can choose from and apply to their own revision outside of College.

Students will participate in a full careers programme which will consist of live speakers in a range of job sectors, importance of a good CV, mock interview preparation and further education route information- apprenticeship and university.

January- end of the year

Mon	Tues	Weds	Thurs	Fri
SPARX/Admin	Super Tutor Sessions	Revision Techniques	Revision Techniques	Future Friday

Students will follow much of the same as the first 2 terms however, after Christmas, students will participate in 'Super Tutor Session' this will see the whole of the year group sitting in the Main Hall participating in a short 20 minute session in English, Maths, Science and Geography or History. This might be going through a specific question that the Year group have struggled with, identifying how to answer it with key points, structure and then analysing the exam paper answer.

Maths and English tutor groups will adjust throughout the year according to mock results. Whilst students will follow a very similar programme their focus will be on improving their Maths and English grades to at least a level 5.

What is #MeToo? How does body language work? What is misogyny and why should we care? <p>End of year online assessment (scenario-based) Enrichment week Rollover week (see 1. For Yr 10)</p>	<p>Healthy Relationships, Healthy Sex</p> <ol style="list-style-type: none"> What are the pros and cons of adoption and abortion? How do fertility rates change as you age? What is the menopause and how does it affect women's health? What are the short- and long-term impacts of being a teenage parent? <p>Mock exams Work experience week Rollover week (see 1 for Yr 11)</p>	<p>Study Skills and extraction for extra Maths and English tuition</p>

Weekly Homework, Revision and 'Aim Higher' Revision

The following section provides a weekly breakdown of homework that is set (in conjunction with classcharts), along with a specific revision activity to complete. There is also the option for an 'Aim Higher' revision activity which will support students achieve the highest grades.

For option subjects, there is space left for students to fill in these homework and revision activities with the support from their subject teachers, as these will be specific for each individual student.

These revision activities will be acknowledged weekly during tutor time on a Monday.

Week Log:

Week beginning 9th October 2023

In Year 11 this week:

Core Learning:

Subject	Homework / Revision	Home Signature
English Literature 	Homework: See Classcharts	
	Revision: <ul style="list-style-type: none">• Literature: An Inspector Calls plot retrieval: create a timeline of events from the play <i>without</i> looking at any materials.• Then use the linked PDF to fill in any important events that you missed- in another colour pen.
